

Where We Are In Place and Time

Central Idea:

Historical thinkers study people, places, and events to tell the story of history from multiple perspectives and inform the present.

YOU SAY YOU WANT A REVOLUTION

Lines of Inquiry:

- What defines a revolution?
- What are the causes and effects of an uprising/revolution?
- How does a revolution bring about change?
- How does learning about the past influence the future?

Key Concepts: causation, perspective and reflection
